SIGNATURE AND PAYMENT(Please complete all fields and see payment information on Page 5)

I, _____ swear or affirm under the penalties of perjury that I am the applicant named in this application and that the photograph attached hereto is of me; that I have made or read the contents hereof, and that to the best of my knowledge, information, and belief the foregoing statements and answers are true.

In making this application to the National Registry of Certified Chemists (NRCC) for the issuance to me of a Certificate, all in accordance with and subject to NRCC's Articles of Incorporation, Bylaws, and such other governing provisions as, from time to time, are in force (hereinafter collectively referred to as it regulations), I agree to disqualification from the issuance to me of a Certificate, suspension of such Certificate, revocation of such Certificate, or to the surrender of such Certificate to the National Registry of Certified Chemists, in the event of any misstatement or misrepresentation in this application or in the event that any of the aforementioned regulations applicable to such Certificate are violated by me, as determined by National Registry of Certified Chemists, its directors, officers, staff members, examiners, and agents free from any claim, damage, or liability by reason of action they, or any of them, may take in respect of this application including, but not limited to, the failure of the National Registry of Certified Chemists to issue me such Certificate or the suspension, revocation, or making of any demand for the surrender of an issued Certificate, or the removal of my name from any list of holders of such Certificates.

In order to make an evaluation of this application, I authorize the copying of this application and any supporting documents, including, but not limited to references and transcripts, and transmission of such copies to National Registry of Certified Chemists directors, officers, staff members, examiners, and their agents by any means necessary, including, but not limited to, postal mail, electronic mail, and facsimile machine.

I understand and acknowledge that the certification status of chemists, technologists, technicians, and chemical hygiene officers certified by National Registry of Certified Chemists is a matter of public record. The National Registry of Certified Chemists will confirm whether or not an individual is a chemist, technologist, technician, or chemical hygiene officer certified by National Registry of Certified Chemists when a request is made by any individual, government entity, or business entity. Such confirmation will include the name, last known address, certification date and recertification date of the certified chemist, technologist, technician, or chemical hygiene officer. I further understand and acknowledge that National Registry of Certified Chemists publishes a listing of those applicants who have been certified and/or recertified by National Registry of Certified Chemists. The listing is published in a newsletter and/or Directory by National Registry of Certified Chemists and contains names, last known address, certification date and recertification date of the certified chemist, technologist, technician, or chemical hygiene officer.
